

WILD MAN OF THE WOODS.—A gigantic man of the woods has been discovered in Green county, Arkansas, and a party has been organized to endeavor to catch him. When last seen he was pursuing a herd of cattle, who were flying in a state of great alarm, as if pursued by a dreaded enemy. On seeing the party who discovered him he looked at them deliberately for a short time, turned and run away with great speed, leaping from twelve to fourteen feet a time. His foot-prints measured thirteen inches each. He was of gigantic structure, the body being covered with hair, and the head with long locks that fairly enveloped his neck and shoulders.
